25X1X7. The proposal regarding the dates for [REDACTED] contained in [REDACTED] invitation of 21 May 1959 is agreeable to I/SH and meets the suggestion advanced by I/SH representatives at last year's conference, namely, that [REDACTED] precede the [REDACTED] Conference rather than follow it as in the past. The proposal for a joint session of the two conferences to consider Naval Shipbuilding is also believed to be advantageous as it will avoid duplication.

2. OSI and OCI have been contacted informally and have expressed an interest in sending representatives to the conference. I have heard no expression of views from ONI.
